ALL DIRECT PURCHASER ACTIONS

**ORDER GRANTING PRELIMINARY APPROVAL OF PROPOSED  
SETTLEMENTS WITH THE DENSO DEFENDANTS  
AND PROVISIONAL CERTIFICATION OF THE  
DIRECT PURCHASER SETTLEMENT CLASSES**

Upon consideration of the Direct Purchaser Plaintiffs' Amended Motion for Preliminary Approval of Proposed Settlements with the DENSO Defendants and for Provisional Certification of the Direct Purchaser Settlement Classes (the "Amended Motion"), it is hereby ORDERED as follows:

1. The Amended Motion is hereby **GRANTED**.
2. Terms used in this Order that are defined in the DENSO Settlement Agreements (the "Settlement Agreements") in the Collective Actions are, unless otherwise defined herein, used in this Order as defined in the Settlement Agreements.

Preliminary Approval of Settlement Agreements

3. The terms of the Settlement Agreements in the Collective Actions are hereby preliminarily approved as being fair, reasonable, and adequate to the Settlement Classes, subject to fairness hearings. In preliminarily approving the Settlement Agreements, the Court makes the following findings:

- a. The proposed class representatives and Settlement Class Counsel have adequately represented the Settlement Classes;
- b. The Settlement Agreements were entered into at arm's length by experienced counsel and are sufficiently within the range of reasonableness that notice of the Settlement Agreements should be given to members of the proposed Settlement Classes, pursuant to a plan to be submitted by Settlement Class Counsel to the Court for approval in separate motions;
- c. The relief provided for the Settlement Classes is adequate; and
- d. The Settlement Agreements treat members of the Settlement Classes equitably relative to each other.

5. The Court finds that provisional certification of the Settlement Classes is warranted in light of the Settlement Agreements because: (a) the Settlement Classes are so numerous that

joinder is impracticable; (b) the Direct Purchaser Plaintiff Class representatives' claims present common issues and are typical of the Settlement Classes; (c) the Direct Purchaser Plaintiff Class representatives and Settlement Class Counsel (identified below) will fairly and adequately represent the Settlement Classes; and (d) common issues predominate over any individual issues affecting the members of the Settlement Classes. The Court further finds that the Direct Purchaser Plaintiff Class representatives' interests are aligned with the interests of all other members of the Settlement Classes. The Court also finds settlement of the Collective Actions on a class basis superior to other means of resolving the Collective Actions.
